Growing and learning through faith, family and friendship.

PSHE Overview

Intent: To explore the knowledge and understanding children need to stay safe, be happy and healthy and fulfil their potential, while also preparing them for life, both in the present and future.

Our PSHE curriculum is a progression model, over a two-year cycle. We use the Twinkl Life PSHE and Citizenship education scheme of work throughout school years 1 to 6. This scheme of work and all of its resources have been produced to be fully in line with the Learning Outcomes and Core Themes outlined in the 2020 PSHE Association Programme of Study which is widely used by schools in England and is recommended and referred to by the DfE in all key documentation relating to PSHE provision in school.

All aims are taught through the three core areas of PSHE and Citizenship education, which are: Health and Wellbeing, Relationships and Living in the Wider World. All lessons will cover content in an age-appropriate manner.
