

**Parent Forum Minutes  
11.7.22**

Minutes discussed and agreed from previous meeting.

Minutes:

- There will be a SEND theme at future meetings as well as an open agenda. Discussed that anxiety, SEMH and behaviour strategies were the ones raised the most in the parental questionnaire.
- JT explained the MHST and that we are in the second wave in January 2023. The school will have access to a mental health practitioner one day a week. They will run interventions, meet parents, and run workshops.
- School has purchased a new mental health-based intervention Milo & Hamish which we are hoping to roll out late September. Work in conjunction with a local school.
- To become an Emotionally Friendly School in 2023 with whole school training and approach.
- Questionnaire going out to parents today, parent voice is important in helping to drive the school forward.
- Suggestion that staff request one of the SEND team in parent meetings if they feel it would be helpful.
- Shared The SEND information report available on the school website.
- Discussion about transition to Oak Class, parents taken into the classroom.
