Sports Premium Grant Funding Plan 2023-24

Key indicator 2: Increased confidence, knowledge and skills of all staff in teaching PE and sport				
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To improve progress and achievement of all pupils, the focus continues to be on the professional development of the staff.	<p>Staff member from Sports Cool, who is trained as a sports coach and extra-curricular clubs and provide CPD for teaching staff.</p> <p>PE lead and Sports Cool Coach to provide staff CPD on the PE curriculum rationale, progression overview document</p>	Cost 6: £7,020	<p>Increased subject knowledge of staff delivering PE lessons. Increased confidence and better subject leadership skills enabling the subject leader to lead learning for all staff.</p> <p>Staff training to take place to ensure that increasingly successful P.E. lessons are taught. Initial staff training on basic skills for children across all years – correct terminology and techniques.</p> <p>All staff to teach PE with more confidence and competence and for pupils to improve their skills as a result of Peer training</p>	P.E. CPD training will ensure that staff have extra skills in all areas of the curriculum and standards will rise. A qualified coach deployed from Sports Cool within school will enable continued CPD for teachers and improved quality of teaching over the following years.

Sports Premium Grant Funding Plan 2023-24

Key indicator 3: Broader experience of a range of sports and activities offered to all pupils				
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To improve children's opportunity to experience a wide range of sports and activities, strengthening their cultural capital.	Subsidisation of Residential of 2 nights/ 3 days to Oak Class children to offer to climbing, rafting, Etc.	Cost 7: £425	Residential activities provided a broader range of physical activity experiences for our children.	Residential activities, additional swimming lessons and extra-curricular activities will ensure that children will have a taster of new sports that they do not normally have the chance to participate in, broadening their knowledge and awareness, and inspiring them to seek out wide ranging opportunities in later life.
	Swimming curriculum lessons delivered in Y3/4.	Cost 8: £554	Increase the % of children being able to swim the statutory 25m in line with national percentages.	
	To purchase new PE/Sports equipment and resources to enable children to experience a wide range of sports and activities.	Cost 9: £1000	Staff will be better able to deliver high quality lessons with the necessary equipment, enabling children to have sufficient time to master skills in a variety of sports and games.	Appropriately stocked equipment will last for years to come, and children will have more opportunity to master basic skills and make rapid progress in physical literacy.
	Train a member of staff to become accredited Level 3 Forest School leader and deliver sessions in-house.	Cost 10: £2,000	All year groups can engage in Forest school sessions.	Long term benefit of having internal staff being Forest School trained.

Sports Premium Grant Funding Plan 2023-24

Key indicator 4: Increased participation in competitive sport				
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Continue to ensure involvement in local competitive events, increasing opportunity and participation for our children.	Competitions to be entered based on Silver Package. Clubs to be organized and ran before the competitions begin. Extra-Curricular sports clubs to involve competitive sports. Cost of Silver package and transport	Cost 11: £900	Analyse the number of children who represent the school in different competitions. Increased percentage of children in KS2 to have taken part in at least one competition against another school.	The increased participation in sport through house competitions ran through the school entering all competitions will make sure that participation rates for all the children involved will improve. This will be carried on in future years.
