Emmanuel Holcombe CE Primary School

Whole School Vocabulary Spine for Design Technology

➢

D&T	Autumn	Spring	Summer
Acorn *Pre-school & Reception Year A*	Leaf Man twig leaf shape	Junk model – dragon glue tape scissors	Party food - celebrations apron spread slice
Acorn *Pre-school & Reception Year B*	Split-pin character paper fastener pieces cut	Fruit kebebs cut peel chop	Junk modelling – animal idea masking tape decorate
Willow *Year A*	Rocky Road food safety ingredients recipe weigh scales crumble	Smoothie balanced diet chilling bridge hold blend/er chopping board flavour	Fabric Faces template mark out running stitch join staple fasten
Willow *Year B*	Playgrounds prototype strong base structure strengthen lever upright	Toy car push/pull release axle chassis bolt washer	Tudor House attach overhang diagonal stable measure glue-gun
Beech *Year A*	Stone Age necklaces salt dough malleable mould carve texture thread cord	Winter Stew hygiene harvest food preparation utensils seasonality seasoning consistency	Greek flatbread and salad safe storage savoury food origin knead dough refrigerate food preparation
Beech *Year B*	Roman catapult hacksaw base pieces supports firing arm mechanism assemble joint	Fairground Ride rotate motor Ferris wheel merry-go-round cogs sturdy supports	Pop-up book box pop-up v-folds tabs slots slider lever linkage
Oak *Year A*	Truss bridges arch bridge beam bridge bench hook vice wood file set square triangulate	Tudor banquet cross-contamination varied diet nutrition labels packaging preserved spices taste and texture	War biscuits rationing binding comparison nutrients vitamins appearance texture
Oak *Year B*	Bird house functional aesthetics butt joint	Controllable vehicles series circuit pulley reversing switch	Sensory Room end product design brief quality

	adhesive framework accuracy(measurements) finishing	body shell component conductor insulator	functionality rigidity innovate evaluate
