

Allocated Amount 2019-2020: £12860

This figure is comprised of 7 "Ever 6" Pupil Premium (pupils who have been eligible for free school meals within the last 6 years) and 1 "Post LAC" (Looked After Children) pupils.

Summary of the main barriers faced by eligible pupils:

- Pupils who have suffered early trauma and experience on-going attachment issues - this includes pupils with emotional and developmental delay
- Delays in social/emotional/behavioural development
- Cognitive delay
- Low self esteem and low confidence

How the allocation will be spent:

- Providing social and emotional support through 1:1 and small group support
- Providing small group/individual interventions with an experienced teacher or T.A.
- Booster classes with TAs & Teachers
- Purchasing particular resources

All our work through pupil premium will be aimed at accelerating progress and breaking down barriers to learning that have been identified in order to move children to age related expectations. This will initially be in Maths, English, communication and self confidence

Pupil premium resources will also be used to improve outcomes for the more able disadvantaged pupils in order to diminish the difference against outcomes nationally.

How Impact will be measured:

- Evidenced based interventions - before and after impact
- Pupil Progress meetings each half term will inform impact on progress and attainment through class room interventions, 1:1 etc. and will inform next steps
- End of term standardised tests will also inform teacher assessment throughout the year
